## Press release

Paris, March 12<sup>th</sup> 2026

Invest Weeks Paris: the leading investment event from 6 October to 6 November

This year, the five members of the Invest Weeks Paris association – namely AFG, AF2I, AGEFI, France Invest and Paris Europlace – will be hosting eight events dedicated to finance and investment professionals over the course of a month, from 6 October to 6 November in the capital.

To find out about the first events already on the programme, visit the dedicated website:  
<https://www.investweekparis.com/FR/>

Invest Weeks Paris aims to raise the profile of the Paris financial centre at European and international level, and to encourage asset managers and foreign institutional investors to visit our country.

More broadly, this initiative aims to attract high-profile international figures to Paris who can stimulate the thinking of investment professionals and bolster the international audience for French and European financial research.

IWP's headquarters are located at the L'Agefi offices, 8 rue Bellini, 75116 Paris.
